work and a specific clause to that effect will be incorporated in the agreement. Rates for non-tendered and non-estimated items of work, if executed, will be paid according to the prevailing schedule of rates or as per data worked out during execution. The rates quoted should be inclusive of sales-tax will be considered.

6. Every tenderer should furnish an income-tax clearance certificate along with the tender or at lease at the time of executing the agreement failing which his tender will be cancelled and his earnest money deposited will be forfeited.

7. The contractor shall be bound by the departmental rules in force in the matter of execution of work, arranging and aligning the work.

8. No conditional clause will be accepted.

9. The decision of the departmental officers of and above the rank of the Executive Engineer, in all matters of disputes as regards quality, quantity and rate for any item of work shall be final and legally binding.

10. The stipulated progress should be shown from the very commencement of work and failure to show the required progress will entail forfeiture of all dues from the department as well as imposition of penalty as the department may think fit.

11. The department reserves unto itself the right to reject any or all tenders without assigning any reason therefor.

12. Abstracts of approximate quantities are appended to the prescribed form. The quantities therein are only approximate and are likely to vary. The successful tenderer is bound to execute all items of work even if they are at variance with the quantities in the abstract.

13. The lowest tender for each item of work as noted under will be taken into account in deciding the tender.

14. The tenderers are requested to quote individually for each item of work detailed below and not on percentage basis of the estimate.
